Dear Dr. Saumya Nath:

After learning about your critical and important scholarship, it is with great pleasure that I invite you to present your work as a guest lecturer in my course, EDRS 814: Anti-Colonial Methodologies, at George Mason University, Fairfax, Virginia, USA. We are excited to learn more about your thesis utilizing a decolonial framework and an interdisciplinary methodology to explore Kondh identity and resistance.

EDRS 814 is a doctoral-level, advanced methodological course offered in the College of Education and Human Development at GMU. We are grateful for your willingness to prepare a lecture and join us in conversation about your work.

As we discussed, the course meets on July 11, 2024 from 4:30-7:10pm Eastern via Zoom. We are appreciative that you are willing to join us given the time difference in our locations. Please let me know if you have any questions about this engagement or if there is some meaningful way that I might support your scholarly pursuits going forward.

With much gratitude!

Sincerely,
